Authorised AGENT for SAMSON CONTROLS (PTY) LTD Equipment & Services in Port Elizabeth and the Eastern Cape Region

SAMSON CONTROLS (PTY) LTD, a solely owned subsidiary of SAMSON HOLDING INTERNATIONAL SA, confirming that ANDERSON PROCESS & INSTRUMENTATION CC is authorised as our Agent to operate on our behalf in Port Elizabeth / Eastern Cape Region to promote and support SAMSON products & services.

SAMSON CONTROLS (PTY) LTD is located in Cape Town and is one of the worldwide established subsidiaries of SAMSON AG to provide sales and service with technical consultancy. We keep a wide range of our products in our stock facilities for valve assembly and follow strict testing procedures to keep a high- quality standard for supporting SAMSON customers throughout the South African region. Therefore, we will assist ECOVALVES (Pty) Ltd in any matters related to SAMSON products if required with our technical support and services.

Assuring you our best attention at all times

Yours sincerely

JOCHEN GRAEFF
CHIEF EXECUTIVE OFFICER
SAMSON CONTROLS (PTY) LTD
